

Dear Presidents,
Dear colleagues,
Dear Madam, Dear Sir,

We are delighted to invite you to attend the “First International Bars Sports Games” organized this year by the Paris Bar. This major event will take place in Paris from 8th to 12th July 2019.

It aims to gather lawyer-athletes from all over the world to represent their bar in the main Olympic disciplines, in individual or in teams.

We would be very pleased to receive teams from your bar, or lawyers recommended by your bar for individual disciplines, to take part in this competition.

We also invite you to release that information to lawyers from your bar and to any organization that might be interested, such as sports associations of your bar, lawyers’ firms specialized in sports law for example.

Please find enclosed the event’s programme to date. You will also find registration and practical information (terms and conditions, registration fee etc.) and contact information. If you need any further information please contact directly organizers and our teams. A web page dedicated to the event was also created on our website: www.avocatparis.org/lesjeux

Concurrently with the sports competitions, an academic seminar, the 4th edition of a seminar known as “Assises du Droit du sport”, will be held. This international conference will be focused on the issue of “Lawyers in Sports” divided into three sessions: the lawyer guardian of the fundamental rights and freedom of athletes, the lawyer strategic player in the sport business, the lawyer challenger of the sport’s governance (www.droitdusport.com / <https://www.weezevent.com/4emes-assises-du-droit-du-sport>).

We hope that these events will catch your attention.

We know that we can count on you and your bars’ engagement. It will be a great pleasure to see you again and welcome you in Paris.

We look forward to meeting many of you there, prepared and determined!

Yours sincerely and sportingly,

Marie-Aimée PEYRON
President of the Paris Bar

Basile ADER
